Treasurer's Report: Members are trying to log on to join and having issues. MTA is aware of this and trying to fix this. When it is fixed Nicole will help them log in and help them join.

Checking 12,000 CD 24,000

President's Report: We had an unfair labor matter between the district's lawyer and a member. The lawyer refused to return notes that were taken during an arbitration. The lawyer did produce the notes and we will withdraw this motion if the matter is settled.

The case where a Unit A member was dismissed is now going to a higher court with MTA representing them.

Fall social will be held at the Tavern on the Green on Sept. 23rd. Free for new employees to the district. Everyone else is \$5.00 we will contact one person from each building to collect money and give out the tickets.

Committees:

Election: The first election will be held on October 22, this will be for building reps. Sept 17th an email is to go out to notify members of the building rep elections.

October 8th all nomination names should be turned into the assistant treasurer. (Dorothy Dwyer)

October 15, ballots will distributed

Contract Manager:

Unit A:

Elementary: A new math program has been adopted in K-8 none of the manipulatives have been purchased, Teachers are very frustrated that there was no clear implications for this program to begin. Teachers are asking that a grievance be filed. Ellen would be willing to talk to Katie Novak before filing. Unit A contract language does back the grievance. Adam will set up a meeting with Katie and Kristen to discuss this. We will file a grievance first knowing we can withdraw this after we meet with Katie and Kristen.

A vote was taken to file a grievance, vote passed,

High School: A question was asked about the parental access to School brains. We need to bargain what is the time frame of when an assignment is turned into when it needs to be graded and be able to be viewed. This has to be discussed with Kristen. We would like it

to stay the same as last year and put it on the table for bargaining next year. The plan will be to get a committee together of Unit A only to discuss what would work best at each grade level.

Meeting was adjourned at 5:55

Respectfully Submitted
